12. At any destination, in order to hold it, we sing in the Spirit for 2 minutes

Heavens Call - Manners¹:
1. Never correct anyone. HC-CBLB reserves the right alone, so no one says anything in a wrong spirit.
2. Always honor each other above yourself. Love one another with brotherly affection [as members of one family], giving precedence and showing honor to one another - Romans 12:10 (AMP)
3. We never talk negative or gossip. This is not a dumping ground – everyone is so positive!
4. We always say our name before we speak, so we know who is speaking when sharing our gems of revelation!
5. We put our phones on MUTE to listen (press *6 to turn mute on and off; or use the mute button on your phone). This stops background noise and honors others while they’re speaking their gems.
6. We always speak the answers as we pray - not the problems.
7. No personal prophecy or ministry. If you have a prophetic word for HC-CBLB, please email it to Kathy or post it in the Heavens Call - Creative Blue Light Beings Facebook group.
8. Have your communion elements ready. We do communion at least once as a group during the call.
9. We don’t debate! HC-CBLB reserves the right to not answer any questions (got that from Ian Clayton!)
10. Do not interrupt others while they’re speaking.
11. Everyone is kind and remarkably gifted! We are allowed to make mistakes ... this is practice, Practice, PRACTICE! There is total participation for all who desire to share.
12. Most of all, have FUN and get to know your home, FATHER's Kingdom!

Our life in HEAVEN is more lasting and real than anything here. You and I are establishing our DNA and our agreed-to assignment from the WAS-WAS, before we were in the womb. It’s time to truly assume our responsibility in our FATHER’S Kingdom in HEAVEN first and here in the Earth, then the Multiverse.

DARE ONLY TO BELIEVE!
TO INFINITY AND BEYOND!!!

Monday Night HC-CBLB PRAYER – MAN OF WAR

Exodus 5:3
The LORD is a man of war; The LORD is His name.

Deuteronomy 20:4
‘... for the LORD your God is He who goes with you, to fight for you against your enemies, to save you.’

2 Chronicles 20:15
Thus says the LORD to you: ‘Do not be afraid nor dismayed because of this great multitude, for the battle is not yours, but God’s.

1 Corinthians 15:57
But thanks be to God, who gives us the victory through our Lord Jesus Christ.

Prayer:

Father, we thank You that one of the first characteristics of Your nature mentioned in Your Word is that You are a holy Man of War (Exodus 5:3). We thank You that it gives You great pleasure to protect us and to fight on our behalf. Your Word says that the battle is Yours and the victory is ours, so we thank You that we can walk in constant victory.

Father, we release You today as the Man of War to go to war on our behalf over these airways, over this call, over our conversation, and over every place that we go tonight. We thank You that we can just rest in Christ and receive the victory.

Right now, if any person with ungodly intentions is on this call, we invite you to come to Yeshua tonight. Our Lord Yeshua is the one and only Savior and He loves you. He will open your life up to so much more than you could ever imagine and He will forgive you of all of your sins and accept you - all you have to do is acknowledge that He is the Son of God, ask Him to forgive you for your sin with true repentance for what you've done in your life, invite Him into your life, and He will flood into your heart and give you the gift of eternal life. So if there's anyone out there who wants to accept Yeshua into their heart, we'll open the floor for you now. We love you! We are excited about what you choose to do today. You don’t have to feel nervous or self-conscious -- we’ve all done this, we’ve all been there. Yeshua says,

“whoever confesses Me before men, him I will also confess before My Father who is in heaven. But whoever denies Me before men, him I will also deny before My Father who is in heaven” (Mathew 10:32-33).

That is what we’re giving you the opportunity to do here. Is there anyone out there who would like to accept Yeshua as their Lord and Savior?

[Pause to see if anyone responds to the invitation. If yes, lead them through a prayer for salvation.]

Lord, we thank You that if there are people still on the call who don’t want to say anything right now, they can email Kathy at kmadden374@gmail.com or go on the website (www.creativebluelightbeings.com) to get Kathy's email address if they can’t remember it and want to talk to her.
If there’s anyone else out there projecting or projecting them self on this call in an ungodly way, right now together we come and we cut the silver cord that connects you to your physical body and we say that you no longer can go out into that place. You have 3 days to accept the Lord Yeshua or you may get stuck out there and not be able to come back.

We thank You Lord that we do not have to tolerate the tactics of the enemy. We are the victorious ones and this is the territory and time (in time, out of time, and on time) of the Lord Yeshua / Jehovah, the Holy Spirit, and of all of the Father’s Kingdom, right here and now.

So we take this territory and time and we thank You for the victory and for all the healings, and the freedoms, and the new intimacy that we will have as we step up and step into this place with You tonight. We thank You for a clear, clean line and we just rest in this place in Christ tonight.

We thank You and ask You to bless each and every one on this call, in Yeshua’s name. Amen! ¹

Monday Night HC-CBLB PRAYER – PUTTING OUR BODY and SOUL INSIDE OUR SPIRIT

Activation

For the restoration of all things (Acts 3:21), we desire to be in the Father’s original intent from the beginning of creation. Before the fall, Adam was first a spirit being - the physical body was less dominant. We want to be “Spirit first”. Scripture says that we are the temple of God (1 Cor. 3:16 & 2 Cor. 6:16). In Ps. 27:4, King David desires to dwell in the house of the Lord, gazing on His beauty and seeking Him in His temple. Acts 17:26 states that “in Him, we live and move and have our being, and Gal. 5:25 says that if we live in the Spirit, let us also walk in the Spirit. So let’s position ourselves “Spirit first”.

Faith Framing

FAITH: Hebrews 11:1 says, “faith is the assurance of things hoped for, the conviction of things not seen.”

FRAMING: Hebrews 11:3 says, “Through faith we understand that the worlds were framed (G2675) by the word of God, so that things which are seen were not made of things which do appear.” “Frame” in this scripture means to render (to complete), to put in order (to fit for one’s self).

God the Creator (“Elohim”, Genesis 1:1) creates by framing with His words. We were created in the image and likeness of God (Genesis 1:27), therefore we can create with our words — and when we speak out loud our words are recorded in our DNA.

As spirit beings (1 Thessalonians 5:23, Numbers 16:22, Hebrews 4:12) who are children of God, we are seated in Christ in Heavenly places (Ephesian 2:6), we are in Yeshua (Ephesians 1:7; 1 Corinthians 1:30) and Yeshua is present everywhere (Jeremiah 23:23-24, John 1:1), therefore in the spirit, we can be present everywhere in Yeshua.

We can frame up, by faith, this reality that we need to walk in as sons of God. So let’s pray this prayer out loud together and by faith, put our body and soul in our spirit man and declare the expansion of our spirit man to align with God’s Word:

Prayer

“Dear Lord Yehovah,

I come before You to walk in the fullness of all that You decreed from the ‘Was Was’. I speak to my wonderful body and I say, “Body, I love you!”

[Hug your body and yourself now]

So I invite my body, soul (mind, will and emotions) to step inside my spirit today.

[Take a step forward with your body now]

I thank You, Spirit of the Living Yehovah, inside of me. I repent for not making You first place in my life. Today You are, so I release You, Spirit of the Living Yehovah, to be over all the places I am appointed to go.
By faith, I am now expanding my spirit man out over:

- My house,
- My land,
- My neighborhood,
- My town/city,
- My state,
- My country,
- My continent,
- My oceans,
- My whole earth,
- My galaxies, and
- My multiverses,

... in Jesus’ name, Amen!”

**The Fruit**

By expanding our spirit man out to encompass our multiverses and everything therein, we are framing up the very truth of:

- what God says about us,
- who we are supposed to be, and
- how we are to operate.

As we keep doing this over and over again, we will:

- start to move into the belief of self - our DNA, our body, mind, will and emotions will line up to that!
- believe who we are called to be!
- walk in the fullness of that authority!!

©2015 HEAVENS CALL - CREATIVE BLUE LIGHT BEINGS: MONDAY NIGHT PRAYERS & PROTOCOLS MANUAL
**Monday Night HC-CBLB PRAYER – LIVING SACRIFICE (1)**

Father, we want to thank You that You tore the veils. Thank You that You went into that veil and tore it from top to bottom to make a way for us to come into the realm of the presence of our Father. We want to thank You Yeshua that You paid the price, You died to empower us and give us the ability in this form to present ourselves as living sacrifices. Father for us to present ourselves as a living sacrifices, it has to be done in the world of the Kingdom, not in this world. So today, by faith, we lay hold of the curtain that sits in front of us, we open the curtain [take a step forward] and step through into the realm of Your presence. Father, according to Your word, we present ourselves as living sacrifices.

Father today we yield our lives in a fresh way to You, all of our lives. The testimony of the record that is within each one of us that is held in our blood, for life is in the blood, we surrender our lives and testimonies to You in a fresh way. Lord as our High Priest, we ask that You take Your word like a sword and cut open our inner man, that You take out all of our hidden secret things and begin to clean and restore and bring total purity and holiness back into all the hidden secret things of the testimony of each one of our lives: things we have done, things that we pretended, things we have walked in, things we have said and done, things we have participated with, things that have been done to use, Lord.

Clean our inner man, clean the inner parts of our lives, clean our hearts, clean our livers, clean our kidneys, clean out our intestines, clean out our stomachs, clean all these hidden parts, Holy Spirit. We ask You to take off the coverings that we put on our lives - peel off these skins! Father one after the other, the things that we have kept hidden in secret from others and presented faces to people that are not the truth of who we really are; the times we’ve done things and pretended and had wrong processes inside of us. We ask that You strip us of every false skin today! Lord, we want to be naked, standing totally vulnerable to Your presence.

We ask that You take Your word and remove our heads Lord, in a fresh way; We surrender to Your Government. We bow our heads in surrender to Your Government that You would take this realm of our own government, and walk as an expression of You through us in the realms of Government. We surrender in a fresh way to Your government of relationship today. Lord, we ask You to take our legs and spread them and cut them from our bodies as we surrender the expression of the way we’ve walked, for the things we walked in that were of darkness; Lord, take all of that off of us and our lives! We surrender to Your priestly administration in these things.

Now Lord, we ask that You take Your word, reach right into the center of our beings, and break open the center of our chests, and our backbones. Take Your word and spread us open - we make ourselves vulnerable as You open the cavities of our chests [take your hands or fists and put them together in front of your chest]. Father we open our chest cavities to You, we open our inner man to You, we make ourselves totally vulnerable to Your presence. Lord, sitting in this place inside each one of us is our scroll of testimony. We ask You to come as the Lion of the Tribe of Judah, break the seal, and open the scroll, that it would be able to be read by the voice of God and the witness of the testimony, and the empowerment to overcome the enemy would be written on each one of our scrolls. Father, that it would become the voice of God inside of us.
Lord, today we thank You as we begin the reassembling process. We put over and around our lives the voice of God speaking and the voice of the testimony of the witness of Heaven that we carry in each of our beings. Father, as You take our legs and arms, put them back on our bodies that we would become an expression of Your hands and feet in the earth, and become subject to the voice of God that lives in each of our beings. Lord as You place our heads back on our bodies, we ask that there would come a fresh yieldedness to the voice of the Government of Heaven, the expression of Your world in maturity through us and the world that we live in.

We ask You to put on each one of us a new garment, a new skin, totally and absolutely made whole, and Lord that You take our lives in exchange for Your life. Lord, as we trade our lives, we ask that You take Your life and breathe it back into our bodies, into the very blood cells of our physical form, that You would breathe Your life into us today. We thank You that we can stand here totally absolutely made whole, totally made clean, totally absolutely restored by the presence of Your Glory and by just being found in Your presence.

Now we engage in the full supply of what You have given us and we step back in [take a step back]. We step back into this world with that provision, Lord, bringing that entire realm and all of its government. We bring it all back into this world with us and we begin to administrate the voice of the ways of God, the laws of God. Father, that we would be able to judge Your house because we have a place with those who stand by here. Father, thank You for Your provision that You gave and that Your son surrendered on that day when He died for us. Thank You Lord, in Yeshua’s Name - Amen.1, 2

Monday Night HC-CBLB PRAYER – LIVING SACRIFICE (2)

Thank you, Father, that You have made the way for us to come boldly into Your presence. By faith right now, we walk through the torn veil into the Holy of Holies and with total abandonment, we lay ourselves on the altar to You, Yeshua, our High Priest.

In offering our bodies, we thank You that You take the sword, Your Word of Truth, and bleed us out, just as a sheep was bled as sacrifice in the Old Covenant. Let all the blood, the old life source, drain out of us. Now cut us open down the middle and strip off the three layers of skin, the false coverings, all pretenses, masks, defense and coping mechanisms that we have placed upon our lives to get the approval of others and even You, Lord. Remove every old fig leaf! Take off my head where I have aligned my thinking with worldly mindsets, drawing our reasoning from the tree of the knowledge of good and evil. Remove our arms and hands where we have done works of iniquity; remove our legs and feet where we have walked in our own self-will. Take out all 248 organs, the tissues, muscles, and tendons; the trauma and negative emotions held up in our immune systems; and our spines where the fear of man has kept chaos locked in our bodies and souls.

Now Yeshua, pull open our rib cage, reach in and take out the stony heart, and with that, the destiny scroll that reveals the true purpose of our lives, those things we agreed to do when we were with You before the foundation of the earth! Yeshua, break open the seal on our scrolls – You are the only one worthy to do this - that we may see what is on our destiny scrolls for this day. Thank You, Yeshua!

Now replace each one of our hearts with a pure and tender heart, one that’s full of faith and gives hope to see the unseen things, a heart full of light with limitless capacity to grow in the love of our ABBA Father… a heart that beats with the rhythm of Heaven’s frequency!

Thank You, Yeshua, as You replace our organs, tissues, muscles and tendons; by faith, we receive healing in all of these because the Master’s hand has kissed them with our Father’s will to heal. You have cleansed our immune systems and our spines are now perfumed in the fear of the Lord! As you put our legs and feet back on, we praise You for giving us legs and feet that our Father calls beautiful, which trek the good news of sonship and touch down in places where Enoch has walked! As you put our arms and hands back on, we praise you for arms and hands like our Father’s that do the works of truth and justice!

Thank You, Yeshua, that You give us a new head with a mind full of revelation knowledge – the government of the Kingdom of Heaven now has jurisdiction over our entire beings! Our faces are now unveiled before Your glory! You give us eyes to see what the elders see, causing them to keep falling down in worship to You! Eyes to see what the angels see that they cannot stop shouting, “Holy, Holy, Holy”! You give us ears adorned with the ring of a bondslave of Yeshua! You give us a nose that smells the vibrations of Heaven and gives us sharp discernment. Now we have a mouth that tastes the goodness of the Lord, that speaks words which bring the power of everlasting life, and praises You continuously!
Now, Yeshua, put back on our lives the right coverings: the covering of God the Father - judgment, justice and holiness; the covering of Yeshua - the way, the truth and the life; and the covering of Holy Spirit - righteousness, peace and joy. Add the three layers of skin back onto each of our bodies for 12 layers signifying the priest, that we may minister to our Father in Heaven!

Now as the blood begins to pulse through every artery, vein, and capillary, the tree of life is being rooted within us. The very DNA of Yeshua is awakening and healing the memory in every cell and the very marrow of our bones is manifesting sonship. Hallelujah! – Amen.¹

Monday Night HC-CBLB PRAYER – COMMUNION (1)

As you break the bread –
“I break this bread as resurrection power.”
[Image of opening and moving through]

As you dip the bread in the wine -
“I immerse this bread in the eternal life-giving blood.”

Prayer:

Father, we take this communion into our bodies. The DNA of You, Lord Yeshua, is becoming part of us. The memory of our sins is erased. The eternal life-giving blood is now part of us. We are renewed. We are a part of You, Father, and You, Lord Yeshua. You live in us and we live in You. We will not die. The record of You is now in us. We resonate with Your frequency, Lord. We draw on that record, We become one with that record. Father, the tabernacle comes over us and broods over us. We are becoming one with Your frequency. We resonate with Your frequency. Lord, rewrite our DNA in Your image. Rewrite it as it was before the fall.

Sanctify us, Lord.

Yeshua, You died on the cross to save us and give us eternal life. You rose from the dead to show us Your resurrection power. You are the Bread that came down out of Heaven and when we eat Your flesh, we will not die but have eternal life.

By taking communion, we bring into remembrance the covenant which You and have made with us: we take on Your strength and You take our weakness; You take our sins and erase the memory of our sins. In this covenant, we choose to live in the reality and frequency of Your kingdom. We denounce the curse of the earthly Adam and embrace the blood and body of You, Yeshua, and Your divine nature. We are in You, Lord. We are Your frequency, Lord.

Thank You, Father, thank You, Yeshua, thank You, Holy Spirit for all of You available to us. We receive communion – fill us with all of You: Your being, Your life, Your love, Your fire. In Yeshua’s holy Name, amen.¹

Monday Night HC-CBLB PRAYER – COMMUNION (2)

Ian: “Really this actually is not so much a solemn thing, but a thing that’s quite worth rejoicing over. This is good!”

**PRAYER:**

By faith, we hold in our hands the symbol of the record of transfiguration. By faith, we hold in our hands the symbol of the DNA of God given for the first time in recorded history on the face of the earth.

Yeshua Your word says three times that if we eat Your body and drink Your blood we shall not die but we shall live forever. Father, Your word says that if we eat this we will have eternal life, being able to live in an open heaven with the realm of the glory of God fully flowing through us every minute of our day.

Father as we take these, we do it with full assurance, knowing that this is the covenant and the reason why Yeshua died -- to give us this record to be able to trade with, in the heavens. In exchange Father, my body and my blood for Your Son’s body and Your Son’s blood.

Yeshua, thank You that You were willing to put off the covering of Heaven to be made a little lower than angels, to be crowned with glory and honor, to absolutely overcome everything on the face of the Earth, to give us the victory for this exchange we can partake in. Lord, this is also the record of the supreme victory that You give us as Your children.

Father, this empowers us to become “of our Father.” So Lord today, we eat this by faith, we drink this by faith, in the name of Yeshua!

Let’s eat and drink!

*[Now put your hands on your stomach.]*

Father, by faith we draw on the record of the testimony of transfiguration. We draw on it Father to release it into the very cell structure of our bodies, that our bodies would begin to take on the sound of creative light. That the display of the glory we now have within us, which is the record of that testimony, would be released into the cells of each of our bodies. That the electrical conductivity of the cells of our bodies would begin to so increase that our bodies would change and metamorphosize into the image of our Father.

Lord today, we draw on the record of the DNA strand of the Body and the Blood of Yeshua of our Father. We draw on that record of the DNA strand, and we command the marrow of our bones to hear the sound and the voice and the nature of that strand. That our bodies would begin to produce that strand within their core being; that each one of our bodies would take on and transition out of this appearance and into the appearance as of the Son of Man.

Father, by faith we release that inside of us. We release it through us from the very core of our beings, coming into agreement with what You gave us Yeshua: the ability to be able to live forever
and to be of the Father. We release that truth, Lord, into the Spirit world around us. We administrate it into the spirit world Father, and decree that we are sons of God born of the testimony of His DNA, to become a witness of the glorification on the earth, the high calling of God in Christ, to become glistening ones! Father, to look like You, to move like You, to do what You do that You would be glorified! That we take on that image, Father, on the earth while we’re still alive. In the name of Yeshua, Halleluiah! Halleluiah! Halleluiah!!

Monday Night HC-CBLB PRAYER – COMMUNION (3)

Lord, we thank You as we hold these elements of Your body and blood in our hands. By faith, we hold the very record of the DNA of God and we call to remembrance the three-strand light of the DNA of God in the marrow of our bones. We call that into remembrance right now and we call it to reproduce in our physical body and blood! We celebrate that these elements create a focal point, an arc, first with our spirit, a window of heaven for the glory of God to come forth and manifest in our lives.

Lord, as we take these elements, we thank You that it begins to change every single part of us, the very sound of us that carries the sound of heaven - that sound of the Lord, the sound of Who You are. Oh, that it would manifest in us - that sound, that frequency, that light, that smell, and that color would be manifest in us Lord! That as we take this we would become one with You Lord! That this deals with every record of sin, iniquity, and transgression in our body, soul, and spirit.

Lord, We thank You that it deals with every root of anger, fear, confusion, rebellion, and it deals with any seed of the enemy: seed of Cain, Nephilim seed, reptilian seed, alien seed, occultic seed - any negative seed that is in us God! We thank You that You burn those records in us and it would bring to remembrance that light, light, light, the creative light of Who You are in our bodies, Lord.

We thank You that as we do this we will say to our bones in our physical bodies, “You will live and not die, you will live and not die, you will live and not die!” We thank You, Lord, that as we take this, it holds the record of everlasting life. We thank You that as we take this, we will not die! Thank You Lord.

We thank You, for this is the ultimate trade Lord! We come and stand Lord on the Sea of Glass and we trade it for more relationship with You that it would open the door to areas of our lives that we have not been able to access for God. Lord Yeshua, take us deeper down, seven layers, take us to the deep places of Your heart that as we take this we become one with You as You are one with the Father. So, we thank You and love You so much!

Take and Eat!¹

Monday Night HC-CBLB PRAYER – YOD HEI VAV HEI

YOD HEI VAV HEI - Position Yourself in the 4 Faces of God
“The name of the Lord is a strong tower, the righteous run into it and they are safe” – Prov. 18:10

PART 1
Repeat 3 times (unmute your phone during this part of the call)
Facing the "new" NORTH (our present day South), sing the four Hebrew letters, Yod-Hei-Vav-Hei, that spell the name of God [picture looking through the eyes of the Lion-Ox-Eagle-and Man]. This aligns our hearts and frequencies together as a group, brings us into spirit first. This is what the Priest would pray and a portal would open up.

YOD - (Lion) Spirit of the Lord and Spirit of Fear of the Lord

HEI - (Ox) Spirit of Might

VAV - (Eagle) Spirit of Wisdom and Spirit of Knowledge

HEI - (Man) Spirit of Counsel and Spirit of Understanding
PART 2
Repeat 3 times ( unmute your phone during this part of the call)

Remain facing the "new" NORTH (our present day South) and sing the five Hebrew letters that spell Yeshua’s name. Continue as in Part 1 but now add the letter Shin in the center of God’s name: Yod-Hei-Shin-Vav-Hei  [picture looking through the eyes of Lion-Ox-Yeshua-Eagle-Man].

י YOD - (Lion) Spirit of the Lord and Spirit of Fear of the Lord

ה HEI - (Ox) Spirit of Might

ש SHIN – (Yeshua)

ו VAV - (Eagle) Spirit of Wisdom and Spirit of Knowledge

ה HEI - (Man) Spirit of Counsel and Spirit of Understanding

Note: Ian mentioned that if you are going through any situations and you need help, you can do Part 2. It ascends you and brings the table of the Lord before your enemies (Psalm 23:5). ¹

Adonai is my shepherd; I lack nothing.  
He has me lie down in grassy pastures,  
He leads me by quiet water,  
He restores my inner person.  
He guides me in right paths  
For the sake of his own name.  
Even if I pass through death-dark ravines,  
I will fear no disaster; for you are with me;  
Your rod and staff reassure me.

You prepare a table for me,  
Even as my enemies watch;  
You anoint my head with oil  
From an overflowing cup.  
Goodness and grace will pursue me  
Every day of my life;  
And I will live in the house of Adonai  
For years and years to come.

Monday Night HC-CBLB PROTOCOL – THE BANK TUBE and JACOB’S LADDER

Bank Tube

To go to Heaven on our Monday Night calls, we must first be washed clean by the blood of Yeshua. To do this, God revealed to Kathy Madden that we can imagine, see, and then enter a large “bank tube” filled with the blood of Yeshua. This tube looks like the type of tube on the outside of banks used to deposit cash and checks. Likewise, when we go into heaven, we also make a deposit of our DNA wherever we go, and when we come back down (at the end of the call), we bring a deposit of what we received in heaven down to Earth.

The tube expands to accommodate the number of people entering it. The base of the tube is here on earth, the top of the tube is in the outer part of heaven. Two angels open the doors for us at both the bottom and the top of the tube. When we enter through the bottom door, we are stepping through the tear in the veil that Yeshua tore for us to enter into His presence. As we go up the tube, we are washed clean from all sin, iniquity and transgression - we are cleansed down to the very marrow of our bones by the blood of Yeshua.

Once we exit the door at the top of the bank tube, we pause to breathe in (3 times) the atmosphere of Heaven and then we begin to climb up Jacob’s Ladder.

Jacob’s Ladder

Jacob’s Ladder is from Genesis 28:12 *(He had a dream, and behold, a ladder was set on the earth with its top reaching to heaven; and behold, the angels of God were ascending and descending on it.)*

When we go up Jacob’s Ladder (which you may see as a ladder or a staircase), we are going straight up to FATHER’S HEAVEN. This avoids the possibility of going sideways nine dimensions (each direction horizontally) like those operating in occult practices through their silver cord. If people have legal ground in them connected to the enemy through occult practices (and have not gone to Court to get divorce papers), there can be revelation received that is thought to be from Heaven but is actually from the enemy.

Jacob’s Ladder is safe! For this reason, it is the Heavens Call protocol.

Three Arches of Heaven

The three arches of Heaven are at the top of Jacob’s ladder. Each one leads to different destinations and realms in Father’s Heaven. Once we pass through any one of the three arches, we are in Father’s Heaven.

Monday Night HC-CBLB PRAYER – MELCHIZEDEK and the SEA OF GLASS

(Melchizedek: /mɛlˈkɪz.ə.dɛk/; Hebrew: מַלְכִּי־צֶדֶק)  

The Sea of Glass is in FATHER’S Kingdom in HEAVEN!

MELCHIZEDEK, King and High Priest, resides there in charge of the trading floor for the LORD’S Treasury in the LORD’S Mountain! As SONS of MELCHIZEDEK, we go there to trade everything given to us in our lives for more relationship with YEHOVAH, YESHUA, and all of the FATHER’S Kingdom.

THE FATHER gives us everything. As we go to the Sea of GLASS and trade back what we have been given: every good and negative thing, even attitudes and thoughts. These trades get recorded in HEAVEN for eternity and in our own book that will be read before us and the LORD at our judgment day. Just as the 24 Elders cast their crowns before the Throne of YHWH:

Revelation 4:10-11 (KJV) - The four and twenty elders fall down before him that sat on the throne, and worship him that liveth for ever and ever, and cast their crowns before the throne, saying “Thou art worthy, O Lord, to receive glory and honor and power: for thou hast created all things, and for thy pleasure they are and were create.”

... we also want to be obedient to do this so we will become a sweet smelling fragrance in the LORD YEHOVAH’S nostrils. As we trade with MELCHIZEDEK, the LORD says, “Aaaahhhhh, they are fulfilling their assignment on their destiny scroll that each SON agreed to in the WAS WAS!!!”

Ephesians 5:2 (KJV) - And walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweet smelling savor.)

As we are trading on the SEA OF GLASS, we are fulfilling our assignment for eternity! How cool!!! Restoration in process by choice! Our DNA being forever changed!!

Prayer

DEAR LORD,

We come before You and Melchizedek right now to trade [state a list of things you received that you are trading] on the Sea of Glass. Our desires are to see and do all that is written on our Scrolls of Destiny that You and each one of us agreed upon before we were ever in the womb - when we were with You before You formed the very foundations of the earth. We desire to operate in all the giftings, priestly and kingly anointings, and for all of the Father's Kingdom government that rests in us to be fully operational, 24/7 in our DNA. We want our portion and any mantles, anointings, finances, translocations, and giftings our ancestors laid down, to be fully operational in our DNA and in our actions. We desire to have the Father's Kingdom Love attached to our every word, action, and deed. We also ask for the full portion of Christ's mind. We thank you Melchizedek, in Yeshua's name. We thank You Lord for the original intent accomplished through us and our future generations, in Yeshua’s name, Amen.1
