HC-CBLB PRAYER - PRAYER - MOUNTAIN and FINANCE
Cardiff School 2009 Mountain Finances CD#4

Melchizedek, I want to thank you that you are the Chancellor of the treasury of heaven. You are the ever-living one. You are the one who has great wealth. You are the one who distributes wealth. I want to thank you that you are looking and recording the reactions of the people today and the Bench of Three are recording the heart behavior of the people that are giving today. Lord, I want to thank You for the testimony of Your word. It is the manifestation of that word in reality, in the face of the earth. Melchizedek, today, I open my heart to you and all that you have in the treasury room in heaven and as Abraham gave you a tithe. Today, I give you my life. I sow before you and give you a portion of my life that my seed’s, seed would be blessed by the glory that you give to the face of the earth, as your child, as the child of my Father, and as a servant of the Father, the ever-living One and King.

Father, I receive from You and sow back into You. I receive from You the gold from the treasury room of heaven that the earth might be blessed, that they would know that there is a God in Israel. Jesus, I thank You that You are the chief trader forever after the Order of Melchizedek. The one who has forever the order of the principles of the kingdom of finances, that our life might be blessed and over running, pressed down and running all over, with the presence of your glory. Father, I want to thank You for Great Grace. Father, let the Spirit of Wisdom come. Father Solomon asked for Wisdom and You gave it to him in abundance. Father, I ask today for the Spirit of Wisdom, to come and be our tutor for the abundance to train us in how to handle abundance in the right manner and from that place Lord, that I would be established as King even the Kings of the earth would come and lay their treasures at my feet.

Father, because of the abundance of Your glory, and the wisdom of Your presence, Father, I thank You for Great Grace. Thank you for your Mercy that even in my own failings yet you still bless me. Lord, I ask you to increase that today. Father expose my heart. Expose the deep roots and riddles (pierced with numerous holes, perforated) of my heart Father. Lord, I open and allow your Spirit. I open the cavity of my chest and expose my heart to Your presence. Lord, I ask as David cried, “Lord try me Jesus, that no wicked way would be found in me”.

Lord, I open my spirit man to Your glory and Your presence and upon this, You would seat yourself as King and Lord. Lord, I shut my chest around Your glory that my house would be the house of Your glory and the temple would display Your beauty and wonder. Father thank You, that You love me and that I am Your bride today. Father I ask for Your presence to flow over me and bless me. Father, bless me with the Knowledge of your Kingdom in this arena of my life that You displayed around me that I would purposely ask and behold the truth and become part of the answer on the face of the earth. In Jesus Name.1 2
